## Our guest speaker

**Dr Andrew T.A. Le**

- MBBS (UNSW)
- Fellowship of The Royal Australasian College of General Practitioners
- Fellowship of Australasian College of Cosmetic Surgery
- President of BHC Academy of Cosmetic Medicine and Cosmetic Surgery (Australia)
- Fellowship of The American Society of Cosmetic Breast Surgery

Since the year 2002, Dr. Le's outstanding performances in the area of non-surgical medical cosmetic has led him to be invited to many medical cosmetic conferences in Australia, Italy, Japan, Korea, Taiwan, Singapore, Malaysia, Vietnam, Thailand, Philippines and Hong Kong . Other than giving speeches in those international conferences, Dr Le also organized many live demonstrations and hands-on trainings about injectable technique throughout the world.
